Bowling Green State University is a tier-one, top 100 public university serving 19,000 students on two campuses in northwest Ohio. The University has nationally recognized programs and research in the natural and social sciences, education, arts, business, health and wellness, humanities and applied technologies. BGSU seeks talented individuals to join our community in Bowling Green, Ohio, recognized as one of the “Best College Towns of America.”

Psychologist position opening announcement

Psychologists provide culturally competent counseling and psychological services to students enrolled at BGSU, as well as consultation with faculty, staff, families, and others who may be concerned about students. Services may include individual, group, and couples counseling; crisis intervention; consultation; outreach and psychoeducation; referral; and liaison activities. Psychologists also provide training and supervision for mental health trainees who are providing services at the Counseling Center. Psychologists typically serve as a liaison between the Counseling Center and one or more campus areas.

Essential Duties and Responsibilities

Clinical services

- Provide culturally competent psychotherapy and counseling for individuals, groups, and/or couples
- Provide on-call (crisis) and walk-in services
- Engage in clinical consultation with students

Outreach, consultation, and liaison services

- Engage in third-party consultation with faculty, staff, families, students, and others about mental health concerns impacting students
- Facilitate and/or coordinate outreach and psychoeducational programming
- Perform liaison activities – work collaboratively with staff in offices outside the Counseling Center to identify student needs and develop, provide, and/or coordinate mental health services to meet those needs. May be assigned to specific functional areas.
Supervision and training

- Provide clinical supervision for Counseling Center trainees, who are enrolled in graduate programs in mental health fields and are providing counseling services to students
- Facilitate training seminars and programs for Counseling Center trainees

Administration and support

- Coordinate or oversee various activities and/or functions in the Center (e.g., group services, outreach programming, training experiences, electronic record-keeping systems)
- Complete documentation and case management
- Provide service to the Counseling Center, Division of Student Affairs, and University by participating in committee work
- Engage in professional development activities

Minimum Requirements

PsyD or Ph.D. in Counseling or Clinical Psychology required. Also required one year of university counseling center experience. Eligible for licensure as a Psychologist in the State of Ohio within six months of hire. Maintenance of licensure as a Psychologist in the State of Ohio throughout employment period.

Preferred qualification: experience working with the following under-represented groups: African American students, Latino/a students, or Asian/Asian American students.

Salary

Full-time, Administrative staff position available. Administrative Pay Grade 357. Salary is commensurate with education and experience. Full benefit package available.

Please note the work schedule for this position will be: Monday – Wednesday 10-7 and Thursday – Friday 8-5. The hours after 5pm will be in residence halls to provide consultation to Residence Life staff and psychoeducational counseling to students.
