

Staff Counselor

Des Moines University is currently accepting applications for a Staff Counselor, who will be responsible for providing psychological services to students in all University programs, including intake assessments, individual, couples, and group counseling, and crisis intervention. In addition, the Staff Counselor will provide consultation and outreach programming to the campus community. The mission of the Student Counseling Center (SCC) is to provide a range of psychological services that serve to empower, support, and assist students in the pursuit of their personal, professional, and academic endeavors. In pursuing the mission of the organization, the SCC makes policies, decisions, and strategic plans in alignment with the following values: integrity and ethical practice, social justice and multicultural competence, holistic approach, and collaborative partnerships.

Founded in 1898 in Iowa's capital city, DMU is a graduate medicine and health sciences university comprising three colleges – College of Osteopathic Medicine, College of Podiatric Medicine and Surgery and College of Health Sciences – that offer eight graduate degree programs. DMU combines the top advantages in medical education available today: an expert faculty, a rigorous and relevant curriculum, state-of-the-art facilities, a dynamic and diverse research environment, and a supportive, inclusive community of students and faculty active in learning and service. By consistently producing outstanding graduates who excel in their careers, DMU maintains one of the strongest reputations in the sphere of American medical education.

Qualifications include:

- Master's degree in counseling or clinical psychology, marriage and family therapy, mental health counseling, or related field.
- At least two years post-degree experience required. Experience providing psychological services in a university counseling center preferred.
- Licensed in the state of Iowa preferred. Consideration will be given to candidates who have obtained temporary licensure status; candidate must obtain full licensure within 6 months of hire.

For complete job description, benefit summary, or to apply visit: <https://dmu.hiretouch.com/job-details?jobID=604&job=staff-counselor>. Please submit CV, cover letter including reason for interest in the position, and contact information for three professional references at time of online submission. CV review and/or interview scheduling will commence immediately and continue until position is filled.
